Cosme Churruca 400, Chile

/od.monicarvajal

I am a dentist here in Chile, I have skills for working with children, adults, management and special care dentistry. I speak fluent Spanish and English, written and oral. Lately I've been introducing myself to different areas like web development, and soon I will be taking a course on Python. I'm a fast learner and look forward to expanding my knowledge on every task I do.
